Section 4 – Rescission right

Upon receipt of a copy of the *Insurance Application*, *you* have **20 days** to cancel this insurance, without penalty.

If that is the case, return this certificate to *us* at the following address by recommended mail or any other method that requires a signature at Reinsurance Management Associates, Inc., 170 University Ave, Suite 500, Toronto, Ontario, M5H 3B3.

Upon receipt, *we* will cancel *your* insurance retroactively to the *effective date of insurance* and reimburse the premium paid.

Section 5 – Premium reimbursement

If *your* insurance is terminated or cancelled during the term, *we* will reimburse the premium as follows:

1. The entirety of *your* premium is reimbursed if:

- a) *your Insurance Application* is denied; or
- b) *you* are considered not eligible on the *effective date of insurance*; or
- c) *your* insurance is cancelled in the 20 days following receipt of a copy of the *Insurance Application*.

2. In all other cases, *your* reimbursement is calculated using one of the two calculation methods below, pending receipt of *your* notice of termination:

Method 1: The reimbursement is calculated according to **Rule of 78**, reduced by:

- all benefits paid under this insurance certificate; and
- a \$125 termination fee (this fee is applied only once per application).

Rule of 78 is a standard mathematical formula used in the industry to calculate the unused portion of a premium. It is defined as follows:

$$(\text{Premium} - \text{Policy fee}) \times ((A - B) \times (A - B + 1)) / (A \times (A + 1))$$

where:

A = Term of insurance (in months)

B = Number of months during which the insurance was in effect

Policy fee = \$100

OR

Method 2: The reimbursement is calculated prorated to the number of months during which the insurance was in effect. The reimbursement of the premium will not be reduced by any benefit paid or any termination fee. Moreover, the policy fee will not be deducted from the premium when calculating the premium reimbursement.

Method 2 applies to the following *creditors*: Ford Credit Canada, Lincoln Automotive Financial Services, Volkswagen Credit Canada, Toyota Credit Canada, Financial Services Nissan Canada and Honda Canada Finance. To find out *your* reimbursement amount, please call *us* at 1-888-307-7443.

If *you* send *us* proof that all *your financing agreement* payments have been made, the premium reimbursement will be made directly to *you*. In all other cases, the reimbursement of premiums is made to the *creditor* to reimburse *your financing agreement*, whether in whole or in part.

Restriction: In all cases, the reimbursement amount must be at least \$5 to be reimbursed.

A cancellation retroactively ends a policy, as though it never existed.

A termination (end of insurance) ends a policy on a given date (after it has taken effect). The policy is no longer in effect, but it doesn't erase the past.

Section 6 – Benefit claims

You must call 1-888-307-7443 (toll free) to obtain a benefit claims form.

In addition to the benefit claims form, please provide all corroborating documents.

To make it easier to process *your* claim, please provide the following documents to *us* by **no later than one year** after the date of the *critical illness* diagnosis.

If proof is required to process a benefit claim and it is not provided to *us*, the claim could be denied.

We will examine the benefit claim upon receipt and send a response within 30 days, provided all the necessary documents have been received.

If *we* consider the benefits to be payable based on the information provided, *we* will issue a cheque payable to the *creditor* in the 30 days following receipt of the benefit claim and send *you* a confirmation of benefit payment.

If the benefit claim is denied, *you* (or *your creditor*) can request a review of *your* file. To do so, *you* must:

1. explain why *you* want the claim to be reviewed; and
2. append all additional corroborating documents to *your* request for review.

If *you* are still unsatisfied with the decision rendered after review, *you* may also submit an official complaint to *our* Complaint Handling Department. To find out how, please call 1-888-307-7443.

A summary of *our* complaint handling policy is available here: <https://securiancanada.ca/complaints>.

The information *you* provide *us* must always be factual and complete.

This insurance certificate is based on the information provided in *your Insurance Application* or related to the latter (including the answers to the medical questionnaire, if any). When *you* complete the *Insurance Application* and answer the medical questionnaire, *your* answers must be factual and complete. In the case of a benefit claim, *we* audit this information. If one of *your* answers is not factual or incomplete:

1. *your* coverage could be cancelled;
2. *your* benefit claim could be denied.
